THE SPRINGFIELD GLOBE—Vol. V, No. 308.
THE SPRINGFIELD REPUBLIC—Vol. XXXI, No. 254.

SPRINGFIELD, O., WEDNESDAY EVENING, SEPTEMBER 30, 1885.

PRICE TWO CENTS.

OWEN BROTHERS

WEDNESDAY, Sept. 30, 1885.

FOUND,

Money on our floor. How many times must we repeat before we catch the eye of the right person?

Yesterday our talk was on shoddy suits, \$4.50 and \$5. Today we talk of A I first class suits for business, for dress, for every occasion calling for good looking, good wearing suits, \$9, \$10, \$11, \$12, \$13, \$14, \$15, \$16, \$18, \$18.50, \$20, \$22, \$24, \$25, \$28, \$30, \$32. Above this, suits to measure.

Separate pantaloons also. We venture to say that a stock of pantaloons that will equal our make in point of numbers, make, look and price is hard to find this side of the great eastern cities. We particularly request that you note our different trimming and sewing from the picked-up stocks of the ordinary small dealers.

Hats again. They're coming too fast. The shelves and counters and floor between the counters are full. Which will you have inside your hat? \$1.25? \$1.50? \$1.75? \$2? or \$2.50? What hat will you have, a Jerome, Hallet, Linwood, Worthington, or Sinclair? The technical virtue of hats, the base on which your beauty rests, you have to take the word of a shopman for. Your shopman answers your questions. What is your merchant's policy? Does he tell you the truth? Does his salesman tell you the truth? Can you read your shopman's prices as a child would read A, B, C?

Overcoats as good as the man would make who sits on the bench from Monday morning to Saturday night over one or two coats a week. A thousand men are making for us. The thousand men are making their living working to better advantage than singly, and you have the benefit. The fine overcoats made in quantities cost—how much do you think? The man who sits alone on the bench would rather we wouldn't tell.

HOADLY AND FORAKER.

CORRESPONDENCE BETWEEN THE
CENTRAL COMMITTEES.

Everybody is willing to debate—Hoadly
Rattled and Petulant—He Treats an
Eastern Democratic Journalist Dis-
courteously.

Special to the Commercial Gazette.

COLUMBUS, O., Sept. 29.—The following
letter was received by the republican state ex-
ecutive committee to-day:

"OHIO STATE DEMOCRATIC
CENTRAL AND EXECUTIVE COM. ROOMS,
COLUMBUS, O., Sept. 29.

"A. S. Bushnell, chairman, republican state ex-
ecutive committee, and R. H. Thompson, chair-
man prohibition state executive committee:
"Gentlemen:—The correspondence already
between your committee and ours has been
very clearly shown that all three committees
claim to desire a debate between the three
candidates for governor. For the purpose of
definitely settling this matter, we hereby
challenge Judge J. B. Foraker and Dr. A. B.
Leonard to address Governor Hoadly in
debate upon the issues of the pre-
sent campaign. If this challenge
is accepted, our chairman will meet with you,
or any delegate of your committee, at once
in order to arrange the details. We suggest,
however, that we meet tomorrow (Wednes-
day) evening, at 7 o'clock, at the rooms of
the republican state executive committee, in
Columbus, or will accept any other time or
place you may suggest. We would like an
immediate answer. Yours, respectfully,
"C. T. POWELL, Chairman."

To the above the republican committee sent
the following reply:

"COLUMBUS, O., Sept. 29.

"Hon. Thomas E. Powell, chairman state demo-
cratic executive committee:

"DEAR SIR:—We accept your challenge for
Judge Foraker to debate with Governor
Hoadly, either alone or in company with Dr.
Leonard, as he may prefer, on condition,
however, that if Governor Hoadly desires Dr.
Leonard to help him he shall divide his time
with him. You can arrange in your own
way with Dr. Leonard's committee, as it is
exclusively your own affair. We are pre-
pared to meet representatives of your com-
mittee at our committee rooms tomorrow
evening at 7 o'clock. Yours very truly,
"A. S. BUSHNELL, Chairman."

"HEADQUARTERS DEMOCRATIC EXECUTIVE
COMMITTEE ROOMS,
COLUMBUS, O., September 29, 1885."

"Captain A. S. Bushnell, Chairman Republi-
can State Executive Committee:

"DEAR SIR:—Your letter of today in reply
to our letter, addressed jointly to yourself
and R. H. Thompson, Esq., chairman of the
prohibition state executive committee, is re-
ceived. Mr. Thompson answers a like letter
in the following words: 'Your challenge is
accepted on the understanding that each of
the three candidates for governor shall be
permitted to bring with him one or two ad-
visers to help him have equal time. You pre-
tend to be willing to have Judge Foraker and
Dr. Leonard meet Governor Hoadly in de-
bate, but have no confidence enough in your
champion to have him debate unless he has
double the time allotted to the governor, upon
the present that Dr. Leonard and the govern-
or are allies, which you know to be so. Dr.
Leonard having been invited, and having
accepted on the fair terms of
equal time to each candidate, we now
challenge you to this debate on the terms
you propose. Your false pretense that Dr.
Leonard and Governor Hoadly are allies will
not answer. You know that your candidate
has publicly avowed himself the advocate of
local option prohibition, and agrees with and
supports Dr. Leonard's position, except only
that the doctor has the local option, involving
total prohibition, which your candidate
dodge, while Hoadly fights you both. If
this challenge be accepted, I will attend at
your committee room tomorrow evening at 7
o'clock. Yours, respectfully,
"C. T. POWELL, Chairman."

The answer of Captain Thompson was as
follows:

"SPRINGFIELD, O., Sept. 29.

"Hon. T. E. Powell:—Your challenge is ac-
cepted on the understanding that each of the
debaters is to have equal time. Wire answer
as soon as you hear from Captain Bushnell,
and I will meet you in person or by repre-
sentative at such time and place as you and he
may choose. R. S. THOMPSON, Chairman."

Hoadly is here tonight, and acts as if he
was so. The letter from the democratic
committee was evidently inspired by him.
He is so petulant that he doubted the repre-
sentative of an eastern democratic paper this
evening, treating him in a very discourteous
manner. The gentleman was sent here espe-
cially to see the governor, and when he
called on his excellency at the democratic
committee rooms, the governor refused abso-
lutely to have a minute's conversation with
him, waving him away in a very excited
manner, with the declaration that he had not
a moment's time to spare. The republican
committee have the governor in such hot
water that he evidently don't know which
way to turn. The democratic managers know
better than to let Hoadly meet Judge Foraker,
hence his excellency hides behind his "good
brother" Leonard, and claims his protection.

GOING BACK TO ECUADOR.

Senator Santos Preparing to Prosecute His
Claim for Damages.

[From Morning Edition.]

WASHINGTON, Sept. 29.—Julio R. Santos
called again at the state department today in
connection with his claim for damages against
the government of Ecuador. He will leave
at once for Ecuador to get up the evidence
necessary to prove the extent of his pecuniary
losses, the unjustifiable nature of his arrest,
the hardships he endured, and the falsity of
the statement transmitted to the state de-
partment of revolutionary movements. He
declares that the statements against him have
been secured from timid and ignorant men
by means of threats and intimidation on the
part of the Ecuadorian government, and that
he will have no trouble in proving this. The
people, in fact, are in sympathy with him and
others who suffered with him. He expects to
return to Washington by the first of January.
The Ecuadorian authorities do not yet re-
cognize Mr. Santos' American citizenship, but,
being acknowledged by the government of
the United States, he feels no annoyance
while engaged in securing his evidence.

BATTLES FOR THE PENNANT.

Chicago Wins the Opening Game with
New York in the Championship Struggle.

[From Morning Edition.]

CHICAGO, Sept. 29.—The crowd which wit-
nessed the opening game between the New
York and Chicago ball clubs for the possession
of the national pennant was worthy the oc-
casion. It numbered 10,000 persons. The
New Yorks presented their strongest playing
front, with Welch and Ewing as their bat-
tery, while the Chicagoans presented McCor-
mick and Nelly, their reserve battery. The
crowd was so large that it stretched along
the sides of the field, and special field rules
were adopted, at the request of the New
York nine, to the effect that any hit which
reached into the crowd would be counted as
a three-base. The game showed in some
very remarkable plays, and was played in
earnest on both sides. There was only one
fielding error, that of Gerhardt, and it did
not affect the result. Following is the score by
innings:

Chicago.....4 0 0 0 2 0 0 1-7
New York.....0 0 0 0 0 2 0 0-4

Armed Intervention Necessary.

LONDON, Sept. 29.—Earl Dufferin, viceroy
of India, telegraphs to the British govern-
ment that necessity has arisen for armed
intervention in Burmah, and that he has
ordered the chief commissioner in British
Burmah to send to King Thibaw a protest against
the execution of the Burmah trading associa-
tion. The tenor of Earl Dufferin's advice
points to an early annexation of Burmah.
The Burmahers are in a state of rebellion,
and the only object of his mission was to
arrange a treaty of commerce with France
and to resist the annexation of Burmah to
India in every possible manner.

Arrested, Suspected of Murdering Miss Hough.

MASSACHUSETTS, Sept. 29.—At Shelby, Sat-
urday, a German of thirty was arrested on the
charge of vagrancy, but was released next
day. He has been arrested, however, and
brought here on account of his close resem-
blance to the man described as having been
seen with Miss Clara Hough on the Sunday
afternoon when she is believed to have been
murdered. There is nothing yet except the
description, to connect him with the crime.
Winans and Croner are still in custody.

A Mob Thirsting for a Murderer's Blood.

KANSAS CITY, Sept. 29.—J. W. Wayne, of
Mound City, Linn county, Kansas, who is
under arrest charged with having poisoned his
brother, Miss Dora Milton, has been brought
to Wyandotte for safe keeping. A mob
attacked the jail at Mound City, Sunday
night, but the sheriff had received warning
and had secured the prisoner in a neighbor-
ing house.

He'd Had to Have Gone Soon, Anyway.

WASHINGTON, Sept. 29.—Horace G. Jacobs,
assistant supervising architect of the treasury,
has tendered his resignation, to take effect
Oct. 31. This action was entirely voluntary
on his part, and was taken in order that he
might accept a business offer from a Wash-
ington firm. Mr. Jacobs is a native of Maine,
and has been in the treasury for nearly twenty-
five years.

Going Through the Motions.

BOSTON, Sept. 29.—Thirty delegates were
present at the opening of the state conven-
tion of the national greenback party in this
city today. A platform was adopted which
denounces adherence to the principles set
forth at the national party convention at
Indianapolis. James Sumner, of Milton,
was nominated for governor.

An Encouraging Indication.

NEW YORK, Sept. 29.—The mercantile fail-
ures in the United States for the quarter end-
ing Sept. 30, as reported by R. G. Dunn &
Co.'s mercantile directory, number 2,173,
against 2,346 in the corresponding quarter of
1884. The liabilities show a remarkable de-
cline, amounting to \$23,800,000, against \$50-
600,000 for the same quarter in 1884.

Fatally Bitten and Killed.

CLEVELAND, Sept. 29.—A few evenings

ron, heard a noise in his grape arbor. Going

Electric Light Companies Agreed Upon.

Discouraging Reports as to the Sewers
—Sale of Bridge Bond Bonds.

read the minutes, which were approved.

to the amount of \$1,400 to raise money in
anticipation of the paying of taxes for the
bridge fund was read. Par and accrued in-
terest was offered by Lamprecht, Hays & Co.,
of Cleveland, for the bonds. The Springfield

and \$1 premium, which, being the lowest bid,
was accepted. Mr. Johnson, from the

cepting the proposition of the Springfield
Savings Bank, which was adopted.

The clerk read the following:
